

Step14: request for sending of software update result

B Series ECDIS Software Maintenance Record

Please fill in the following sheet and send it. And save the sheet in the vessel so that surveyor will be able to check that ECDIS software conforms to PL4.0.

Destination Marine Service Department (TMSC)

E-mail mfd-support@jrc.co.jp

When processor unit was replaced, fill in check mark.

Model name	Serial number	PIN number	Serial number	PIN number
JAN-701B	_____ <input type="checkbox"/> Replaced processor unit	_____ <input type="checkbox"/> Replaced processor unit	_____ <input type="checkbox"/> Replaced processor unit	_____ <input type="checkbox"/> Replaced processor unit
